|  | <p>M/s. RR Sea Foods approached our Guntur Main Branch for availing certain credit facilities for their business purpose. On 05.09.2019 at the request of the Borrower firm by offering Third Party property as collateral, the Branch sanctioned a limit of Rs.400 lakhs Cash credit loan facility after duly executing all necessary loan documents.</p> <p>The Branch officials investigation / inquiry and other reports, clearly indicates that the Recommending authority Mr.H.Phani. (Chief Manager / ABH ) and Sanctioning authority Mr.S.Radhakrishanan (AGM / BH) intentionally connived with the borrower along with the Bank's empanelledValuers and Lawyers with ulterior motive of wrongful gains to themselves by accommodating credit facilities to ineligible customers with the following Irregularities.</p> <ul style="list-style-type: none"> <li>• Funds remitted on 19/09/2019 to M/s Spin Solutions which is not having any relation with business of shrimp which indicates Diversion/Misutilisation of funds.</li> <li>• Limit was sanctioned for shrimp trading, processing and preserving of crustaceans however branch official visits conducted later to the addresses provided reveals there is no such processing unit exists.</li> <li>• There is no valid family member's certificate for execution of sale deed No. 13445/2014. The transfer of property as per sale deed No. 13445/2014 is doubtful.</li> <li>• The value of the collateral property at the time of sanction was Rs.445.28 lakh But as per latest valuation conducted the valuation was Rs. 143.04 lakh , which indicates the value of the property was inflated just to arrive at the desired credit limits , also implies involvement of Bank's empanelledvaluers.</li> </ul> <p>It is submitted that the borrower firm represented by its Partners did not utilize the funds for the purpose for which the limit was sanctioned by the Bank and that the borrower firm had violated the terms and conditions of the sanction advise which resulted in classifying the account as NPA on 31-03-2021 with balance outstanding of Rs.426.88 lakhs.</p> |

|    |                                                     | <p>On 30.12.2020 the incumbent Guntur Branch Officials visited the Unit address and found that the Unit does not exist at all. This aroused suspicion about the borrowers and while monitoring their account transactions it is observed that the funds sanctioned were diverted and transferred to single firm M/s Spin solutions firm's account on 19.09.20219.</p> <p>It is submitted that the borrower firm M/s RR Sea Foods and its partners in connivance with the then Branch Officials of Guntur Main Branch with a dishonest intention of causing wrongful loss to our Bank and wrongful gain to themselves, had fraudulently committed offences of cheating, criminal breach of trust, misutilization of funds under Indian Penal Code,1860</p> <p>There is no delay in filing the complaint after declaration of fraud by the Bank. There is no contradiction in the complaint that the alleged act is an act of crime and not a business loss.</p> |
| 9  | Grave Irregularities committed by public servant(s) | <p>The then Branch Officials Shri S. Radhakrishna, AGM and Mr. H. Phani, Chief Manger while working at Guntur Main Branch have thrown Bank's laid down systems and procedures to winds, acted beyond their delegated powers while sanctioning the loans to the borrower firm.</p> <p>It is further submitted that Bank initiated the process of examination of staff accountability and conducted internal enquiry. The Staff Accountability report thereof may be shared with the investigating authority, if requisitioned once the investigation commences.</p>                                                                                                                                                                                                                                                                                                                                                                                             |
