Nature of default :

Since November 2014, the devolvement under LC debited to current account was not regularized and also interest on OCC was not serviced since November 2014. Packing credit and bills were outstanding since December 2014. Subsequently account turned NPA on 18.02.2015.

Details of Detection, Occurrence & Modus Operandi of Fraud:

During CIR process, Forensic audit had been entrusted to M/s C P Jain & Co. The Forensic auditor M/s C P Jain and Co has reported in his report dated 22.06.2022 and his final opinion dated 07.09.2022 that the company has misappropriated the funds taken from the consortium banks.

1. The above observation is based on their report that the company dealt with companies which had nothing to do with Textile Industry i.e. the company has sale and purchase transactions with companies like US Traders Pvt Limited, VCG Fabrics Pt Limited, WG Comtrade Pt Ltd, Viraj International.

S. No.	Name of the Company	Line of Business
1.	Viraj International	High Carbon Wires, Lrpc Wires, Spring Steel Wires etc.
2.	USG Traders Pvt Ltd.	Inter Plastic Products, non-Metallic Minerals Products, Rubber products, fabricated metal products.
3.	VVG Comtrade Pvt Ltd	Business of steal
4.	Ameet Enterprises	Business of Coke and Semi – Coke of Coal, of lignite or of peat.
5.	H.K. Enterprises	H.K. Enterprises is involved in business of aluminum

Such practice suggest Siphoning off funds borrowed from banks being utilized for purposes unrelated to the operations of borrower, to the detriment of the financial health of the entity and/ or the lender.

2. Auditors have also noticed sharp increase in turnover, inventories, Trade Receivables, Current Liabilities of Company during the F.Y. 2010-11 to F.Y. 2014-2015.

Turnover: Turnover of the Company during the F.Y. 2010-2011 to F.Y. 2014-15 increased from Rs. 225.78 Crores to Rs. 590.49 Cr. This has resulted into piling up of trade receivables to the tune of Rs. 365.40 Cr. as on 31.03.2015. These include:

- Domestic Trade Receivables of Rs. 194.09 Cr are generated out of Sales & purchase within companies, the management/ Director/ Associate Company/ Group Company. These are not recovered yet.
- Export Trade Receivables of Rs. 134.19 Cr. as on 31.03.2015.

Despite of dues non- realization from overseas companies, the company continued to sell to these overseas companies. Further, it was observed that there were transactions with those creditors and debtors whose status was "STRIKED OUT" on the website of Ministry of Corporate Affairs and the payments were made post-facto in some of the cases.

Sr. No.	Strike out Companies	Companies Under Liquidation
1.	Payment Rs. 0.58 Cr.	Payments Rs. 7.33 Cr.
	Receipts Rs. 4.98 Cr.	Receipts Rs. 6.66 Cr.

Therefore it seems that company has made several transactions with companies which were not paying them and were defaulters. These kind of transactions with defaulters has been noted as suspicious by the auditor and it may suggests misappropriation of funds, Criminal breach of Trust and manipulation of Books of Accounts allocated to them.

3. While comparing the Debtors and Creditors Days, the Debtor's days is more than double the creditor's days during the period from FY:- 2004-05 to FY:- 2014-15. This indicates that creditors were paid faster than compared to the Debtors. This practice suggests that company has not made any attempt to recover from its debtors thereby causing losses willingly in detriment to the health of the Company.

4. In Para 5.3 of the Forensic Report it is noted by the auditor that the Company has repaid the unsecured loan of Rs 1.32 Crores to Mr Sandeep Vedant during 2014-15 when the company was under severe stress and verge of NPA and related transactions with Directors, Shareholders of Rs 4.5 Crores.

7. Name of perpetrators	SI No	Name	Designation	PAN	Address
